

Have you Heard About Our Student Loans?

If you have a student heading to college later this year, you may be wondering how to cover remaining costs after savings, earnings, scholarships, federal student loans and other aid are exhausted.

You already trust us with many of your money matters. You can also rely on us to provide you with lower-rate private student loans that work for your family. We have partnered with ISL Education Lending to provide undergraduate and graduate loans with fixed or variable rates and multiple in-school payment options.

ISL Education Lending is a nonprofit with over 40 years of experience providing student funding solutions. They know student loans and can provide you with rates that are comparable to, or better than, the rates many national lenders offer.

You can also pre-qualify in a matter of moments to see your rate before you apply. Pre-qualifying does not impact your credit score.

If you or your family needs additional funds to pay for college, visit our website at soocoop.com/student-lending to learn more about our student loan options.

Loans are subject to credit approval.
