

INTERNATIONAL CREDIT UNION DAY

Why do hundreds of millions of people worldwide choose credit unions? Because credit unions have a "People Helping People" philosophy that impels them to constantly improve their communities and the lives of their members. That local service feeds a worldwide network that reaches more than 274 million members across the globe.

On October 19, 2023, join Soo Co-op Credit Union and financial cooperative members around the globe in celebrating 75 years of International Credit Union Day. Give-aways, refreshments and drawings at all SCCU branch locations.
